

CME FOUNDATION OF INDIA

CARDIOLOGY CONCLAVE

 10th and 11th August, 2024

 Hotel Sonar Bangla, Mayapur

Conclave Overview

The CME Foundation of India is organizing an exclusive conclave specifically designed for experienced doctors in the field of cardiology. This conclave aims to share knowledge and propose key opinions regarding the latest developments in cardiac medicine. It will engage participating doctors in discussions centered on the prevention of the cardiovascular disease burden in India. Also the conclave will focus on sharing insights and creating a conducive environment for in-depth discussions among medical professionals. Real-world practice pointers vis-a-vis guidelines-based diagnosis will be discussed to improve patient care in the real-world setting.

Conclave Objectives

The primary objective of this conclave is to bring together specialists, doctors, and professionals in the field of cardiology to engage in discussions, share their expertise, and propose key opinions on various topics related to cardiology. The conclave aims to delve into real-world experiences, insights, and challenges faced by clinicians, physicians, and healthcare professionals in addressing the prevention of the cardiovascular disease burden in India.

Conclave Outcome

- Foster collaborative discussions on innovative patient care methodologies grounded in real-world evidence and experiences in addressing the prevention of cardiovascular disease burden in India.
- Gain valuable expertise and perspectives shared by key opinion leaders with respect to the significance of echocardiography in managing the prevention of cardiovascular disease burden in India.
- Delve into practical insights and key opinions with respect to the prevention of cardiovascular disease burden in India.
- Explore innovative therapeutic approaches for cardiac conditions based on real-world evidence and clinical success in managing the prevention of cardiovascular disease burden in India.
- Improve patient care outcomes by incorporating real-world insights and experiences into clinical practice.

About Faculty

Dr. Monotosh Panja

MBBS, M.D. (Medicine),
D.M. (Cardiology), F.I.C.P. (India),
F.A.C.C. (USA), F.C.S.I.

- Director of Interventional Cardiology
- Former Director, I.C.V.S.
- Former Professor and Head of Cardiology, I.P.G.M.E. & R and S.S.K.M. Hospital, Kolkata
- Dean, Indian College of Physicians
- President, Society for Cardiac Intervention
- President, Association of Physicians of India
- President, Cardiological Society of India
- Renowned expert in interventional cardiology

Dr. Apurba Kumar Mukherjee

MD, FICP, FRCP (Glasgow)

- Distinguished medical professional in General Medicine and Endocrinology.
- Former Head, Department of General Medicine, R.G. Kar Medical College, Kolkata.
- Acting Head, Department of Endocrinology, R.G. Kar Medical College, Kolkata.
- Elected member of the Physician Research Foundation of National API (2016-2020).
- Chairman, API West Bengal Chapter.
- Chairman, RSSDI West Bengal Chapter.
- President, Diabetes Association of India, West Bengal Chapter.

Agenda

10th August, 2024

06:00 p.m. to 08:00 p.m.

1

Speaker: Dr. Monotosh Panja

Lecture: Prevention of the cardiovascular disease burden in India

Q & A

Time: 6:00 p.m. to 6:40 p.m.

2

Speaker: Dr. Apurba Kumar Mukherjee

Lecture: Advanced Echocardiography: Enhancing Cardiac Function Assessment

Q & A

Time: 6:40 p.m. to 7:20 p.m.

3

Moderator: Dr. Monotosh Panja

Real-World: Role of Doppler ECHO in Cardiovascular Diseases

Time: 7:20 p.m. to 8:00 p.m.
