CROSS CONNECT 2017

SNAPSHOTS

CROSS CONNECT 2017

FEEDBACK

- Topics covered were relevant and informative
- There was sufficient opportunity for interactive participation
- Information provided will be useful for my clinical practice
- Faculty shared information clearly
- Format of delivery of information [lecture, Case Studies] was relevant
- The event added to my conceptual understanding on the subject
- The initiative addressed my education need(s)
- Asian Society's educational initiative are in right earnest and value adding
